16 Days of Activism against Gender-Based Violence is an international campaign. It takes place each year from **25 November** (International Day for the Elimination of Violence against Women) until **10 December** (International Human Rights Day). Throughout the campaign, Mothers' Union joins with many others, globally, to raise awareness of, and call for an end to, gender-based violence in *all* forms and in *all* societies.

MU warmly invites **EVERYONE** who cares
to share with us in this special time
