Dear Branch Leader

Outing to Coventry - Friday 31st May 2019

We have now heard that the Service at Coventry starts at 2.00pm not 11.00am as we were led to believe. We are still hoping to leave at .....

This means the first pick up at St Michaels Martlesham will be at 6.30am, the next pick up will be at Tesco Petrol Station Ipswich at 6.45am. Needham Market stop will be 7.00am and our last pickup will be Tesco at Bury St Edmunds 7.25am before travelling to Coventry Cathedral for an 2.00am service.

We are still leaving early as you will need to have lunch before the service but get to the cathedral early enough to get your seat . You can either bring sandwiches and eat them in the grounds of the cathedral or find a restaurant nearby.

Would you please contact Beryl or Monica if you have any queries .  
We will be having a comfort stop on the way somewhere between Bury St Edmunds and Coventry.

Would you please inform them of the above details.

Love & Prayers

Beryl and Monica
